

LIVING ABUNDANTLY

Jesus promised his followers an abundant life. Is that just an abstract idea to distract us from earthly misery, or is there real power in Christ to live a full and rich life in the here and now? Young adults are navigating a challenging landscape as they start “adulting” and building a life, so we’ll explore some real Jesus-based strategies and tools to discover calling, work to build a future, and overcome systems of corruption, exploitation, and injustice.
